Ten Group

---

## To whom it may concern,

I am excited to apply for the IT Internship role at Ten Group, as advertised on Indeed Job Search. With an adequate foundation in Java and Information Systems, I believe that I can contribute to the team's success.

As a 3<sup>rd</sup> year, ICT In Applications Development student at Cape Peninsula University of Technology, I have developed valuable skills through academic and project-based work. I am particularly drawn to Ten Group because of its interest in teaching and guiding new graduates or students looking to gain valuable work experience in the industry.

I believe my positive attitude, reliability, and ability to adapt quickly make me a good candidate for this position.

Thank you for considering my application. I would be thrilled to discuss this opportunity further and explain in greater detail why I am the ideal candidate for this position.

Sincerely,

Chad Assur
